

# LAKEHEAD ATHLETICS FACILITY MEMBERSHIPS

## About Lakehead Athletics Memberships

Lakehead Athletics Memberships grant members access to our brand new Wolf Den, the CJ Sanders Fieldhouse, and the Hangar. Within these facilities you can find gymnasiums, weight and cardio spaces, an aerobic studio, a 200-m indoor track, a pro-grade artificial turf field, as well as an olympic length pool.

### Types of Memberships

Memberships can be purchased in either 4, 8, or 12 month increments. Purchase either a single membership, or build your own family by adding on partners or children to your membership!

Partner memberships are 50% off of the single price, and children are 75% off the single pricing. Please note that Partner and Child memberships can only be sold in addition to Single membership, and cannot be sold separately.
